**Exploring the new advancements on  
Food & Agriculture for new generation**

July 03-05, 2019 | Ghent, Belgium

## SPONSORSHIP, EXHIBITOR, AND ADVERTISING INFORMATION

**B**elgium is a developed country because of its compact size, minimal language barrier, and multicultural composition makes it one of Europe's top destinations. It also ranks as one of the safest or most peaceful countries in the world. Other major cities are Antwerp, Ghent, Charleroi and Liege. If you visit Belgium you can have number of opportunities to visit City of Brussels. Also you can visit Netherlands (Amsterdam), France (Paris), Germany, Luxembourg which are closer and doesn't require Separate Visa.

4th International Conference on Food & Agriculture (ICFA Belgium 2019) is going to be held in Belgium during July 03-05, 2019 focusing on theme "Exploring the new advancements on Food & Agriculture for new generation". The first conference of Agriculture was organized in February 2016 in JNU, New Delhi, India successfully hosted 120 participants and second agriculture conference was organized in March 2018 in Jharkhand, India, which hosted around 310 participants. The Third conference on Food & Agriculture was successfully organized in November 2018 in UPM, Malaysia where Em. Prof. Marc Van Montagu, World Food Prize Laureate-2013, Ghent University, Belgium was the Honorable Chief guest and Prof. Datin Paduka Dr. Aini Ideris, Vice Chancellor and Prof. Abdul Shukor Juraimi, Dean Faculty of Agriculture of Universiti Putra Malaysia are the distinguished Guests.

Carrying the legacy of previous editions of this conference, we planned to organize this conference in Ghent, Belgium anticipating 150 participants across the world along with workshops, Exhibitions for this premiere event.

For the first time we are Organizing Conference in Europe. We look forward to associate with most of the European Agriculture Universities, Agriculture Companies & Organizations by welcoming their Scientists & Delegates to join this event in Belgium.
